ART OF THE DIGITAL WORLD

Objective

The competition aims to motivate artists all over the world, to share their culture, through the creation of beautiful artwork.

Important Dates

Date: 1 March 2022 - 31 May 2022

Fees

This competition is completely FREE.

Eligibility

This competition is open to public, which means that ANYONE can participate. No matter where you are from, or what age group you are in. Everyone has a chance to unlock their true potential and share it through a love of art.

There are two ways to register for the competition: Register as an individual artist¹ Register as group artists²

¹Non-school affiliated individuals including University students should register by themselves. However, individuals need to receive approval from us to finalize their registration.

²School students should register under their schools. Teachers will then collect all the information of the participating students and register as a group, under the name of the school.
